1. THE UNIVERSITY

1.1. Assam Agricultural University Established on April 1, 1969 with its Headquarters at Jorhat, Assam Agricultural University (AAU) is the first institution of its kind in the whole North-Eastern Region of India. The base of this institution comprised the erstwhile Assam Agricultural College at Jorhat and the Assam Veterinary College at Khanapara, Guwahati. Subsequently, seven more colleges, namely the College of Community Science at Jorhat, the College of Fisheries at Raha, the Biswanath College of Agriculture at Biswanath Chariali, the Sarat Chandra Singha College of Agriculture at Rangamati, Chapar, the Lakhimpur College of Veterinary Science at Joyhing, North Lakhimpur, the College of Horticulture at Nalbari and the College of Sericulture at Titabar were established at different point of time under the AAU.

The goal of the institution is to produce globally competitive human resources in farm sector and to carry out research in both conventional and frontier areas for production optimization as well as to disseminate the generated technologies as public good for benefiting the food growers/producers and traders involved in the sector while emphasizing on sustainability, equity and overall food security at household level.

The mission of the University is to fill up talent gap in agriculture and allied sector to preposition the state to combat the emerging challenges in agriculture and ensure productivity increase in agri-horti-animal-fish-seri crops on the face of shrinking/fragmented land holding, ailing soil health, diminishing water resources and increased human population.

1.2. Jurisdictions The jurisdiction of the University extends to the entire state of Assam with regard to teaching, research and extension education in the field of agriculture and allied sciences. Besides 9 colleges as indicated above, the university serves its clients through a network of 11 research stations and 23 Krishi Vigyan Kendras.

1.3. The university campus The University has a number of campuses with its Headquarters located at Borbheta at a distance of about 6 km from Inter State Bus Terminus, Jorhat, 5 km from Jorhat railway station and 2 km from Rowriah airport. Jorhat can be reached easily from Guwahati, the capital of Assam, by bus/train/air. The latitude, longitude and altitude of Jorhat are 26°44'N, 94°10'E and 91 m above mean sea level, respectively.

University Grants Commission

Notification Refund of Fees and Non-Retention of Original Certificates

October, 2018

1. Introduction:

The Commission has notified University Grants Commission (Grievance Redressal) Regulations, 2012 on redressal of multifarious grievances of students. But given the sheer volume of the complaints regarding non-refund of fees and retention of original certificates by Higher Educational Institutions (HEI), the Commission felt the need to notify elaborate instructions so as to curb such malpractices and decided to issue appropriate instructions in the form of this Notification to all universities and other HEIs under the purview of the UGC.

2. Objective:

To prohibit coercive and profiteering institutional practices in the matters related to refund of fees in case of withdrawal from the programme and retention of original certificates at the time of and /or after admission.

In exercise of powers conferred by Section 12 (d) read with Section 12(j) of the UGC Act, 1956, the UGC issues this Notification for adoption of standard operating procedures in the matters related to refund of fees in the event of student's withdrawal from the program and non-retention of certificates at the time of admission.

3. Application and Enforcement

- 3.1. The instructions contained in this Notification shall be in supersession to its earlier Public Notice dated 23.04.2007 and its Notification dated 16th December, 2016. It shall be applicable to Undergraduate, Postgraduate and Research Programs run by universities included under Section 2 (f) of UGC Act, together with all colleges under their affiliating domain and institutions declared as deemed to be universities under Section 3 of the UGC Act.
- 3.2. The provisions contained in this Notification shall come into force with immediate effect and shall have regulatory force on extant as well as future grievances over issues and matters covered herein.

4. Specific provisions for Mandatory compliance by HEIs:

The Commission herewith lays down specific provisions and consequent mandatory compliance on the issues related to:

- (1) Refund of fees by the institution concerned in the event of the withdrawal from the programme by a student; and
- (2) Verification and non-retention of academic and personal certificates of student;

For any complaint in respect of (1) & (2) above, the grievance redressal mechanism as prescribed under UGC (Grievance Redressal) Regulations, 2012, shall be followed.

4.1 Refund of Fees

- 4.1.1 No HEI shall make it mandatory for applicants to purchase the institutional prospectus at any time during the course of the programme of study. Purchasing prospectus shall be the personal choice of the applicant and he/she shall have rights to decide against it in case he/she wishes to access the information from the institutional website. As laid down in the Right to Information Act, 2005, and reiterated in the UGC Guidelines on Students' Entitlement, all HEIs shall disclose on their website and prospectus information regarding the status of the institution, its affiliation, accreditation status, physical assets and amenities, course-wise sanctioned intake of students, various types of fees payable for different programmes, total fees payable for an entire programme, last date of admission, details of faculty, members of governing bodies and minutes of the meetings of bodies like Academic/Executive Council, sources of income, the financial situation and any other information about its functioning, necessary for an applicant to make a fully informed choice.

- 4.1.2 HEIs shall charge fees in advance only for the semester/year in which a student is to engage in academic activities. Collecting advance fees for the entire programme of study or for more than one semester/year in which a student is enrolled is strictly prohibited.
- 4.1.3 If a student chooses to withdraw from the programme of study in which he/she is enrolled, the institution concerned shall follow the following five-tier system for the refund of fees* remitted by the student.

(3)	80%	15 days or less after the formally notified last date of admission
(4)	50%	30 days or less, but more than 15 days, after formally notified last date of admission
(5)	00%	More than 30 days after formally notified last date of admission

NOTE : *Caution money and security deposit, which are not part of the fees chargeable, shall be refunded in full.

- 4.1.4 In case of (1) in the table above, the HEI concerned shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs. 5,000/- as processing charges from the refundable amount.

- 4.1.8 The self-attested certificates of students shall be held valid and authentic by institution concerned and/or the affiliating university for all purposes and administrative requirements and should there be a need for physical verification at any time during the course of the programme of study, such verification shall be undertaken and the original certificates thus used for verification shall be returned immediately to the student concerned.
- 4.1.9 Taking the certificates into institutional custody under any circumstance or pretext is strictly prohibited.
- 4.1.10 In case of any suspicion over the authenticity or genuineness of a certificate, reference may be made to university or the Board which issued the certificate to the student and the admission be subjected to the authentication, but original certificate shall not be retained by the HEI under any circumstance.

4.3 Grievance Redressal Mechanism (GRM)

- 4.3.1 All HEIs shall mandatorily have a "Grievance Redressal Mechanism" (GRM) as mandated by UGC (Grievance Redressal) Regulations, 2012, as amended from time to time, to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this Notification.
- 4.3.2 The GRM shall be available on HEI website.
- 4.3.3 HEIs shall ensure that all grievances received are addressed as deemed fit within 30 days.

- (4) To allow students to tailor their degrees or make specific modifications or specializations rather than undergoing the rigid, regularly prescribed degree or courses of a single university or autonomous college.

- (8) To satisfy the students' quest for knowledge, freedom to choose and change their academic directions, connect different domains of knowledge and help them acquire the right foundations and building blocks to pursue their life goals.

Modalities for operation of Academic Bank of Credits in Assam Agricultural University:

The University Grants Commission (UGC) mandated 100 per cent registration on the ABC platform from the current academic year 2023–24. That indicates that all applicants to universities across the nation must open an Academic Bank of Credit (ABC) account as a condition of admission.

How to Create ABC ID?

Generate ABC ID: It is mandatory to create an account on ABC platform and generate ABC ID for University Admission in 2023. Follow these simple steps to create your ABC ID from official site:

- a. **Login to DigiLocker:** First of all login to your DigiLocker Account. If you have not sign up in DigiLocker, create it now and then login there.
- b. **Search for Education:** After login, you search for Education category which shows Academic Bank of Credits service.
- c. **Create ABC ID:** Finally, select Assam Agricultural University (or your last institute) and click on 'Generate ABC ID'.

Credits awarded after each semester to a student for one program from an institution (A) may be transferred/redeemed by another institution (B) upon students' consent.

Credit transfer is the key to successful study mobility.

The semester-wise mark sheet will be published in DigiLocker when the results for each semester are announced, much like it is done for degrees or other papers. This will be done by choosing a DigiLocker marksheet template with the necessary consent of the relevant authority.

Once semester wise results published, ABC Platform is a virtual database of credits to store online the academic credits earned by each student individually. Students can check accumulated credits by logging into abc.gov.in.

AAU will redeem credits from other institutions of a student seeking transfer to the Academic programs of AAU for those courses as approved by:

- a. ICAR, BSMA
- b. ICAR, Dean's Committee
- c. VCI approved courses

Migration of students to AAU will be within disciplines only.
